- Entry into the BTM Wimbledon ballot
- Aegon British Tennis rating

Please register at [www.lta.org.uk/member](http://www.lta.org.uk/member) The on-line registration and membership is free to any member of an LTA affiliated UK club.

## Wimbledon Ballot

To be eligible for the Wimbledon Ballot Club Draw, members must be BTM members and must also have actively opted-in for the draw before February 2018. Notification of opting-in dates and process will be sent to all members when the dates are publicized. The more BTM members the club has, the larger the allocation of Wimbledon tickets to the club by the LTA.

Westfields Tennis Club has been allocated 5 pairs of Wimbledon tickets for the 2018 championships. The draw will take place at the club on 7<sup>th</sup> April 2018 at 1.00pm. An afternoon of tennis and refreshments will follow the draw and all members are invited to attend.

To find out more about the LTA Wimbledon Ballot, please see <https://www.lta.org.uk/major-events/grand-slams/wimbledon/ballots/>

## Membership Details & Contacts Privacy

Under the terms of the Data Protection Act 1998, Westfields Tennis Club will use personal information fairly and lawfully, collect only the information necessary for a specific purpose(s), ensure it is relevant; accurate and up to date; only hold as much as is necessary; and only for as long as is necessary; allow the subject of the information to see it on request; and keep it secure.

Apart from The Management Committee members, the club will not generally publish personal details or divulge them to other individual members, unless they have express permission from the member to do so.

If a member wishes to allow their contact details to be known to other members, they can inform the Management Committee, and/or enter them on to the Member Contacts Register Sheet displayed in the clubhouse.

It is the responsibility of members to ensure their contact details are up to date and correct.

## Visitors

A Full Adult Playing Member may introduce Temporary Day Visitors. Before a Temporary Day Visitor plays, the member introducing him/her must make an appropriate entry in the Visitor's Book and pay the relevant fee:

Adult & Student Visitor Fee	£3 per session
Junior Visitor Fee	£1 per session

A day visitor may play no more than three sessions in any one year, except with the permission of a Management Committee member.

## Court and Clubhouse Access – Locks & Codes

The Management Committee changes the courts padlock code each year in the first week of May, and will communicate this new code by email to all members who have paid the required subscription. In the interests of security, please do not divulge the court padlock code to any person who is not a fully paid member.

New members will be provided with a key. If you require a replacement key, please contact a committee member. There will be a charge of £4.00 for a replacement key.

---

The last key holder to leave the club at any time is responsible for ensuring that the doors and windows are both secured and locked.

## Use of Tennis Courts

In order to maintain good relations with the club's neighbours, members are not permitted to play on the courts before 9.00 am Monday to Saturday and before 10.00 am on Sundays. Members are requested to keep noise levels to a minimum.

Members should not attempt to retrieve tennis balls from surrounding residential gardens unless they have the express permission of the resident.

After using a court, members should always unwind and slacken the net at the net post. Please ensure court padlocks are in place to secure both courts.

## Court Booking

Members can reserve a court by posting a court reservation notice on the window of the clubhouse. The reservation notices are located in the chest of drawers in the clubhouse.

Please note that bookings must be made at least 24hrs before the event, and Members cannot book a court for longer than two hours on any day. Bookings must not conflict with other pre-booked times or restrictions stated elsewhere in this guide (eg Group Club Sessions).

For competition matches eg Vale of Mowbray, courts will be booked for more than 2 hours. Notice of these matches will be posted in the clubhouse. The courts can be reserved outside of club sessions for team practice, match or tournament play at the discretion of the committee.

## Turn Up and Play

If the courts are not reserved either for club sessions or by members or coaches, then the use of courts operates on a turn up and play basis. It is expected that members will co-operate with one another regarding fair play but as a guideline, if you are using a court and another member turns up to play, you should finish your current match and then vacate the court. There is no differential between adults and juniors. You should communicate an estimated time to the waiting party.

## Weekly Group Club Sessions

The table below shows the times allocated to Adult or Junior Group Club Sessions. The designated group has priority court use at these times, although other members can use the courts if not in use by the group.

We would encourage all new members to attend these club sessions and introduce themselves as a new member. New members will be warmly welcomed to Westfields Tennis Club, introduced to existing club members and informed of club session protocol.

The Club Session Timetable is as follows:

Tuesday	Adults	10.00am – 12.30pm	Both courts	All Year	
Wednesday	Adults	10.00am – 2.00pm	Both courts	All Year	
Wednesday	Adults	4.00pm – 7.00pm	Both courts	April to Sept Inclusive	Oct to March 2.00pm – 4.00pm
Friday	Juniors	4.00pm – 7.00pm	Both courts	April to Sept Inclusive	
Saturday	Adults	1.00pm – 5.00pm	Both courts	April to Sept Inclusive	Oct to March 12.00pm – 4.00pm

## Ladies Singles

We have recently set up a group for ladies to play singles. This group currently meets once a week on a Thursday morning at 10.00am but this time is subject to change. If you wish to join in, please email [westfieldstenniscub@hotmail.co.uk](mailto:westfieldstenniscub@hotmail.co.uk).

## Club Tennis Balls

The tennis balls purchased by the club are used solely for club sessions, matches and tournaments. The balls are stored in the locker in the clubhouse. Nominated padlock holders who can access the balls in the locker are Anne Brenkley, Anne Flecchia, Phil Leahy, Rob Hutchison, Sue Lussey and all committee members.

Members requiring balls for matches or tournaments should contact a committee member well in advance of these events to avoid disappointment.

---

## Maintenance of Clubhouse and Courts

Member support is an important part of cleaning and maintaining the clubhouse and courts. Volunteer Rota notices are posted on the notice board in the clubhouse. All help is welcomed and we would particularly appreciate help with cleaning and clubhouse painting and decorating.

Members should report any concerns or issues to a member of the committee.

Court sweeping is also vital to the maintenance and safety of the courts. The courts should be swept weekly preferably before club play on a Tuesday morning. If the courts cannot be swept on a Tuesday morning due to inclement weather, then they should be swept before the following club session. 4 brushes are stored in the lean-to shed for this purpose and it is advised that 4 members participate in the sweeping. A notice detailing dates of sweeping is on the clubhouse notice board.

The tennis courts will be re-surfaced, re-painted and deep cleaned as required at the discretion of the Management Committee for the benefit and safety of its members. Deep cleaning is kept to a minimum to prolong the life of the surface, which will also minimise running costs.

Members should respect club property at all times, including switching off lights and electrical appliances when not in use.

## Coaching

The club currently offers professional coaching provision to all members.

Individual or small group coaching is currently provided by Phil Wylie (an LTA qualified level 4 performance coach). Phil can be contacted directly on 07912 645 071 and individual coaching arrangements can be made to suit, on the strict proviso that they fit in with any court pre-booking arrangements as stated in this Guide.

Courts for coaching must be booked in advance as per standard court booking guidelines and displayed in the clubhouse window.

Phil is predominantly available to coach at the following times from April to September 2018 inclusive.

Sunday	4.00 – 7.00pm
Monday	5.00 – 8.00pm
Day times during the main summer holidays	

Phil's coaching is available to non-members who will be treated as day visitors. He may coach members or visitors up to no more than 3 hours on any 1 day. Visitors may only attend 3 coaching sessions per year. Coaching cannot take place during weekly group club sessions unless the Management Committee has agreed to this. Only one court at a time can be used for coaching.

Larger group coaching is provided from time to time by Geoff Thomas (Level 3 Performance Coach) and will be advertised in advance to all members. Any member interested in attending this should contact Sue Lussey on 01748 811012.

We are currently trying to increase our coaching provision with a view to offering group coaching for junior members.

## Introduction to Tennis

From May to September there will be a monthly session available to members who are new to the game. These sessions will cover:

- Rules
- Strokes
- Scoring
- Positioning
- Etiquette

## Tournaments and Competitions

We are inviting members to put their names forward to participate in matches during the year which are both fun and challenging. We are not in a position to enter leagues (with the exception of the Vale of Mowbray) as league play requires a minimum of 3 courts. We do offer competitive play within the club and in friendly matches with other local clubs

Members wishing to play in these Leagues/competitions should contact Joan Curran or Graham Berry to register their interest.

---

## Vale of Mowbray

The Vale of Mowbray League is a men's doubles competition for teams in the area. Each team consists of two pairs. The number of teams can vary but is usually around 7 or 8. Some of the bigger clubs, such as Ripon, enter two teams in some seasons. The Westfields team is selected by the team captain. This year, that is John Dickinson. The team is selected from the club's strongest players, reflecting the high standard of the league. Apart from Westfields, all of the players in the other teams compete in the Harrogate League, some in the higher divisions. Matches normally begin in May and go through until July. Each team plays once against the other teams, with the venue alternating yearly between Home and Away matches. The top 4 teams then play a semi-final and, if they win that, a final. Two years ago, Westfields beat Ripon A in the semi-final but the final against West Tanfield was not able to be played. Last year, Westfields lost in the semi-final to Boroughbridge.

## Friendly Matches with Local clubs

TBA

This information will be updated in this Members' Guide, posted on the Club Notice Board and on the Club Website.

## Mixed Singles Ladder Competition

This year we will be running a mixed singles ladder competition which will commence on April 15th and close at the end of August. If successful, a further ladder will begin from the 1st September.

Members should register and give a contact number and email on the sheet on the clubhouse notice board.

Please see our website for further information or contact John and Jo Lloyd on [speak2johnlloyd@gmail.com](mailto:speak2johnlloyd@gmail.com)

## Pre-Wimbledon Mixed Doubles Tournament

This will take place on Saturday 30<sup>th</sup> June at 1.00pm at the club. There will be a mixed draw to encourage and integrate players of all abilities. This is a fun occasion where members can get to know one another and enjoy the day.

Pimms and Strawberries & Cream will be provided.

## Club Championships

Dates for the following competitions are still to be decided. This members' guide will be updated asap and info posted on the clubhouse notice board as well as the club website and Facebook page.

- Ladies' Singles
- Men's Singles
- Ladies' Doubles
- Men's Doubles
- Mixed Doubles
- Finals Day.

Any Members wishing to take part in club tournaments should enter their names onto the tournament lists in the clubhouse at least one week before the relevant tournament date.

The draw for tournaments will be made by Joan Curran/Graham Berry at the end of Saturday tennis one week before the relevant tournament date. New for mixed doubles this year, members who are interested in playing will be divided in 2 lists, seeded and non-seeded. Pairings will be determined by drawing one player from the seeded list and one from the non-seeded list.

Tennis balls will be provided by the club.

Joan Curran/Graham Berry will organise playing times for any matches on the relevant days and put these up on the Notice Board. This will allow some flexibility for those not able to play at 10.00 a.m. but all who sign up will need to be available to play at some point on the relevant day(s).

On each relevant day, matches will take place to determine the finalists. In some cases, therefore, players may need to play more than one match on one day.

If there are only two entrants for any competition, the entrants will play on the Finals day(s).

Finals should be played on the Finals Day wherever possible.

Rules for the conduct of the Club Tournaments and Competitions are decided by the Management Committee and will be posted on the club website and notice board. The 2018 competitions and events are organised by Joan Curran and Graham Berry. Rules for matches, including entry fee, will be posted with the entry sheets.

Members and guests are expected to wear suitable, safe clothing and to wear appropriate tennis shoes when using the courts.

If a member injures themselves whilst on club premises, the first aid bag can be found on the notice board in the clubhouse. All injuries should be noted immediately and properly recorded as laid out in the injuries and accidents book located on the table in the clubhouse. Please note that this procedure is a strict requirement of the Club's Insurers.

In the event of injury, please inform a member of the committee by telephone or at [westfieldstennisclub@hotmail.com](mailto:westfieldstennisclub@hotmail.com) so that the committee can follow up on the welfare of the member and also replenish the first aid box.

Common sense should be applied regarding on-going risk assessment and the following Do's and Don't's Notice will be displayed on the Club Notice Board.

### DO

- Report to the management committee anything which you feel may pose a health and safety risk
- Report any maintenance issue which you are aware of to the management committee
- Pay attention to any notices

- Play if the courts are slippery
- Climb onto the embankment to retrieve balls

Any Management Committee member is empowered to control, restrict or stop play on any court or courts, because of weather conditions or other causes, and their decision is final.

## Safeguarding & Welfare of Children and Vulnerable Adults

We take the safeguarding and welfare of our members seriously and operate in accord with LTA guidelines. As such, several members of the committee have signed up to complete an LTA Safeguarding Level 1 course in June 2018, after which we will update our policies and appoint a Welfare Officer for the club. Our current policy is below:

### WTC Policy

1. Safeguarding and welfare of child members (under 18) and vulnerable adult members (a member over 18yrs who may be unable to protect themselves by reason of disability, age or illness) is the joint responsibility of all members of WTC, in particular the Management Committee as well as the parents/guardians/carers of said children and vulnerable adult members.

- 
2. Any safeguarding or welfare concern issue should be reported in the first instance to a member of the Management Committee who will confidentially raise the concern with the full Management Committee. All Management Committee members' contact details are on the clubhouse notice board and also in this guide on page 5.

The Management Committee will investigate and take action as required under current LTA Safeguarding Venue/Club Guidance. [www.lta.org.uk/about-the-lta/policies-and-rules/safeguarding-protection/](http://www.lta.org.uk/about-the-lta/policies-and-rules/safeguarding-protection/)

All matters will be dealt with confidentially and in a timely manner.

If someone is in immediate danger then call the police or call the LTA Safe and Inclusive Tennis Team on 0208 4877000 (Mon to Fri 9am to 5pm). Report this to the committee and also inform the parent/guardian/carer unless you believe it will put the child, vulnerable adult or yourself at risk.

3. The Management Committee will ensure that all coaches appointed at the club to coach children will have an up to date tennis accreditation and a valid DBS certificate.
4. Any volunteer at the club who assists with under18s will have a valid DBS certificate.
5. It is the responsibility of parents/guardians/carers that any children 12yrs and under should be accompanied by a responsible adult when playing at the club, including during coaching sessions with a club appointed coach.
6. The Management Committee is aware of the health and safety of our members and will conduct an Annual Risk Assessment for the health and safety of all.

## Diversity and Inclusivity

As a club, we value and celebrate diversity and make reasonable efforts to encourage inclusivity and to meet individual needs and we do not discriminate.

We wish to enable people to play tennis in a manner that is safe, inclusive and fair. This applies regardless of a person's age, race, sex, disability, gender reassignment status, marital or civil partnership status, pregnancy or maternity, sexual orientation, religion, socio-economic status or any other background.

We are working on a Diversity and Inclusion Policy and will publish this when complete.

## Code of Conduct

### All Members of Westfields Tennis Club should always do the following:

1. Help to create a safe and inclusive environment both on and off the court and promote the value of fair play.
2. Value and celebrate diversity and make reasonable efforts to encourage inclusivity and to meet individual needs.
3. Do not discriminate.
4. Check that you have the relevant consent from parents/carers, children and adults before taking or using photos and videos.
5. Wherever possible, do not be alone with a child (under 18yrs) or a vulnerable adult (a member over 18yrs who may be unable to protect themselves by reason of disability, age or illness).
6. Do not offer coaching to members or visitors who are under 18yrs or members who may be considered to be a vulnerable adult (other than your own family) unless you have a current DBS certificate.
7. If you have concerns of any kind, then do report them to a Management Committee member as soon as possible. The matter will be discussed by the full Management Committee who will be receptive and will consider all points, acting in a confidential, timely manner. If you feel anyone is in immediate danger then call the police (999).

## Purpose of the Guide

The Management Committee of Westfields Tennis Club, (as required per Club Rule 15), has prepared this Guide. "The Members' Guide shall be made, and periodically revised by the Management Committee as it sees fit. The purpose of the Guide is to set a framework for:

- Members Entrance fee and annual subscription charges to be levied
- Day-to-day use of the Club's courts and premises by members

- 
- Upkeep and maintenance of the tennis courts and clubhouse.”

### Key Principles of the Guide

- To enable member subscription costs to be kept as low as possible, and to keep the club running costs to a minimum, the club will be run on a self-help basis by the Management Committee and members. All members are requested to support this aim on a voluntary basis.
- Members should at all times be familiar with, and follow this Guide.
- The Management Committee welcomes any constructive suggestions to improve this Guide from all members.

### Amendment of the Guide

Any Full Adult Member proposing to amend the Guide should submit their proposal to the Secretary in writing. It will be considered and decided upon by the Management Committee.

### Publications and Website [www.westfieldsrichmond.co.uk](http://www.westfieldsrichmond.co.uk)

This Member’s Guide will be reviewed by the Management Committee and published at a minimum every May and a link to the guide will be provided to all Adult Members via email. A copy will be placed on the Club Notice Board and on the Club Website.

Any amendments to the Member’s Guide and Club Rules will be made available on the club website and will also be posted on the notice board in the clubhouse.
